Profile

General education classroom teacher. State of Indiana licensed for grades kindergarten through six.

Experience

WonderCamp Summer Camp Teacher - WonderLab Museum of Science, Technology and Science June 2015 – July 2015

Grades K-6 Lead Teacher. Camp titles: Farm Fun, Colorful Chemistry (grades K-1), Safari Indiana, Tinkering Time, Big on Bones (grades 2-3) Skulls and Skeletons (grades 4-6) Each camp consisted of half days for one week. Community partners, field trips, hands-on experiments, observations, and analysis were the basis of each day.

Substitute Teacher - Monroe County Community School Corporation, Bloomington, IN – January 4, 2015 – Present

Grades K-6 Substitute. Concentrated at University Elementary, Templeton, Unionville and Arlington Heights. Additionally at Summit, and Fairview. May 4-28, long term substitute in fourth grade at Arlington Heights Elementary School.

Fourth Grade Teacher Candidate, University Elementary School, Bloomington, IN July 31 – November 21, 2014

Participated in all aspects of classroom teaching and preparation, including bulletin board and classroom environment design, lesson planning and grading, organization and preparation of materials, community building, and parent/teacher conferences. Lesson design included Geography, Native American Studies, technology, literature, vocabulary, 5th grade math, and Reader/Writer's Workshop. Teamwork skills included unit writing with peers to design International Baccalaureate curriculum and weekly fourth grade Professional Learning Community meetings.

Fourth Grade Field Experience, Edgewood Primary School, Ellettsville, IN February 2014 – April 2014

Assisted in various aspects of teaching, including language arts, mathematics, social studies, classroom management, and grading. Designed, and taught several consecutive lessons on Indiana government.

Third Grade Field Experience, Templeton Elementary School, Bloomington, IN September 2013 – November 2013

Assisted in various aspects of teaching including mathematics, science, and classroom management. Worked with adopted mathematics textbook and science materials to teach appropriate lessons.

Literacy Facilitator, University Elementary School PTO, Bloomington, IN

August 2000 — May 2013

Worked daily with two to five small groups of kindergarteners and first graders in 30 minute sessions; worked with non-english speakers, non-readers, and top readers, on letter and word sounds, word families, letter formation, sentence structure; built vocabulary and increased fluency; Created daily lesson plans, met weekly with classroom teachers to discuss progress and individual student goals.
