Movie Reflection

name

- ① What was your favorite part of working with your team?

The script! It was like we were actually talking to each other

- ② What did you learn about making a movie?

It can be amazing! Fun!

- ③ What suggestions do you have for this project to improve it?

We could've had more Indians.

i Movie Reflection

① What was your favorite part of working with your team? My favorite part of making the movie was filming it.

② What did you learn about making a movie? I learned that sometimes things don't always go as planned,

③ What suggestions do you have for this project to improve it? I think you could use real life people and go outside if you are making a movie that includes wilderness,

④ Any thing else you want to

say : I just hoped we would have more time before you leave. We kind of had to speed it because were leaving and we thought we had more time!

⑤ What other topics would you like to make a movie

about? I've allways wanted to make

a movie about a little orphin and her siblings surviving in the wild and hunting for food. But suddunly someone finds them and they get sepperated. They have to find a way to get back together and get back into the wild. It will be a dangerous journey, but they are willing to take the risk.

④ Any thing else you want to say: I wish we had more time before you left to make the movie.

⑤ What other topics would you like to make a movie about? A movie where somebody struggles through school but ends up making tons of friends -ing

④ Any thing else you want to

say: It was an awesome time making it.

⑤ What other topics would you like to make a movie about?

Naruto, bleach, the duck, and bob the duck and tim the cow.
